Klaster collection

by **NUMEN / FOR USE**

Klaster is a flexible modular system made up of minimalist cubes. It consists of 14 modules: 6 seats, 4 low and 4 high backrests which can be freely combined into any number of exciting configurations. The visual identity of the modules aims for a certain degree of neutrality, thereby enabling maximum creativity when it comes to their arrangement and use. Thanks to the variety of the modules and their multifunctionality, Klaster is equally suitable for both domestic interior and public space.
