Oblique collection

by **NUMEN / FOR USE**

When designing the **Oblique** family of products, we wanted to ensure a quality sitting experience for the user in a real soft easy chair, but within minimal dimensions. It is these requirements that have created the recognizable profile of this set of chairs. The profile underlines two triangular prisms. They ensure the greatest thickness of the foam on the major points of support for the body when sitting: the back side of the seat and the lumbar zone of the backrest. The narrowed plane where the volume from the seat blends into the backrest improves the ergonomics, but also allows

for the elasticity of the backrest. The top of the legs has a rectangular cross-section, but becomes increasingly thin towards the bottom, turning ultimately into a triangular base. This way, we have reduced the robustness of the wooden profiles of the structure and have given the design a geometric expressive and contemporary character. We have perfected the products through time, offering, in addition to the wooden leg structure, an alternative metal version that also includes an armrest. The Oblique family also comprises a larger dining table and low tables.

SPECIFICATIONS AND TECHNICAL DRAWING

SHELL	moulded foam, metal frame, elastic webbing
BASE	solid wood + oil or lacquer, black lacquer
UPHOLSTERY	fabric

[easy chair information website](#)

EASY CHAIR
w 27¼" × d 28" × h 30¼"
70 × 71 × 77 cm

LOUNGE CHAIR
w 21¼" × d 28" × h 30¼"
54 × 71 × 77 cm

SHELL	moulded foam, metal frame, elastic webbing
BASE	metal tube Ø20 / Ø25 + powder coating
ARMRESTS	solid wood + oil or lacquer
UPHOLSTERY	fabric

EASY CHAIR METAL
w 26¾" × d 28" × h 30¼"
67 × 71 × 77 cm

EASY CHAIR CANTILEVER
w 26" × d 28" × h 31"
66 × 71 × 79 cm

EASY CHAIR CANTILEVER WITH ARMRESTS
w 26" × d 28" × h 31"
66 × 71 × 79 cm

SHELL	moulded foam, metal frame
BASE	solid wood + oil or lacquer, black lacquer / metal tube Ø16 mm + powder coating
