Piun collection

by **GRUPA**

With its airy flair, the design of the **Piun** chair revolves around lightness, functionality and comfort, which are all necessary for a dining setting. The challenge was to design a light and stackable chair with armrests for mass seating.

Makers at the Core

...the design process is a continuous one, and the makers are the ones who bring the vision to life. They are the ones who understand the materials, the tools, and the techniques that are necessary to create a piece of furniture that is both functional and beautiful. They are the ones who are passionate about their work and who take pride in their craftsmanship. They are the ones who are the core of the design process, and they are the ones who make the difference between a good design and a great one.
