Spectrum System, Highback & Low Tables collection

by **ALTHERR DÉSILE PARK**

Spectrum System is the ultimate solution for large lounges and hospitality spaces. Designed to facilitate an expansive interior, it offers seamless modular flow, enabling dynamic compositions and open, conversational environments. Whether it's an informal meeting point or social event space, Spectrum System adapts to large groups, making it the perfect choice for spaces designed to foster social interaction.

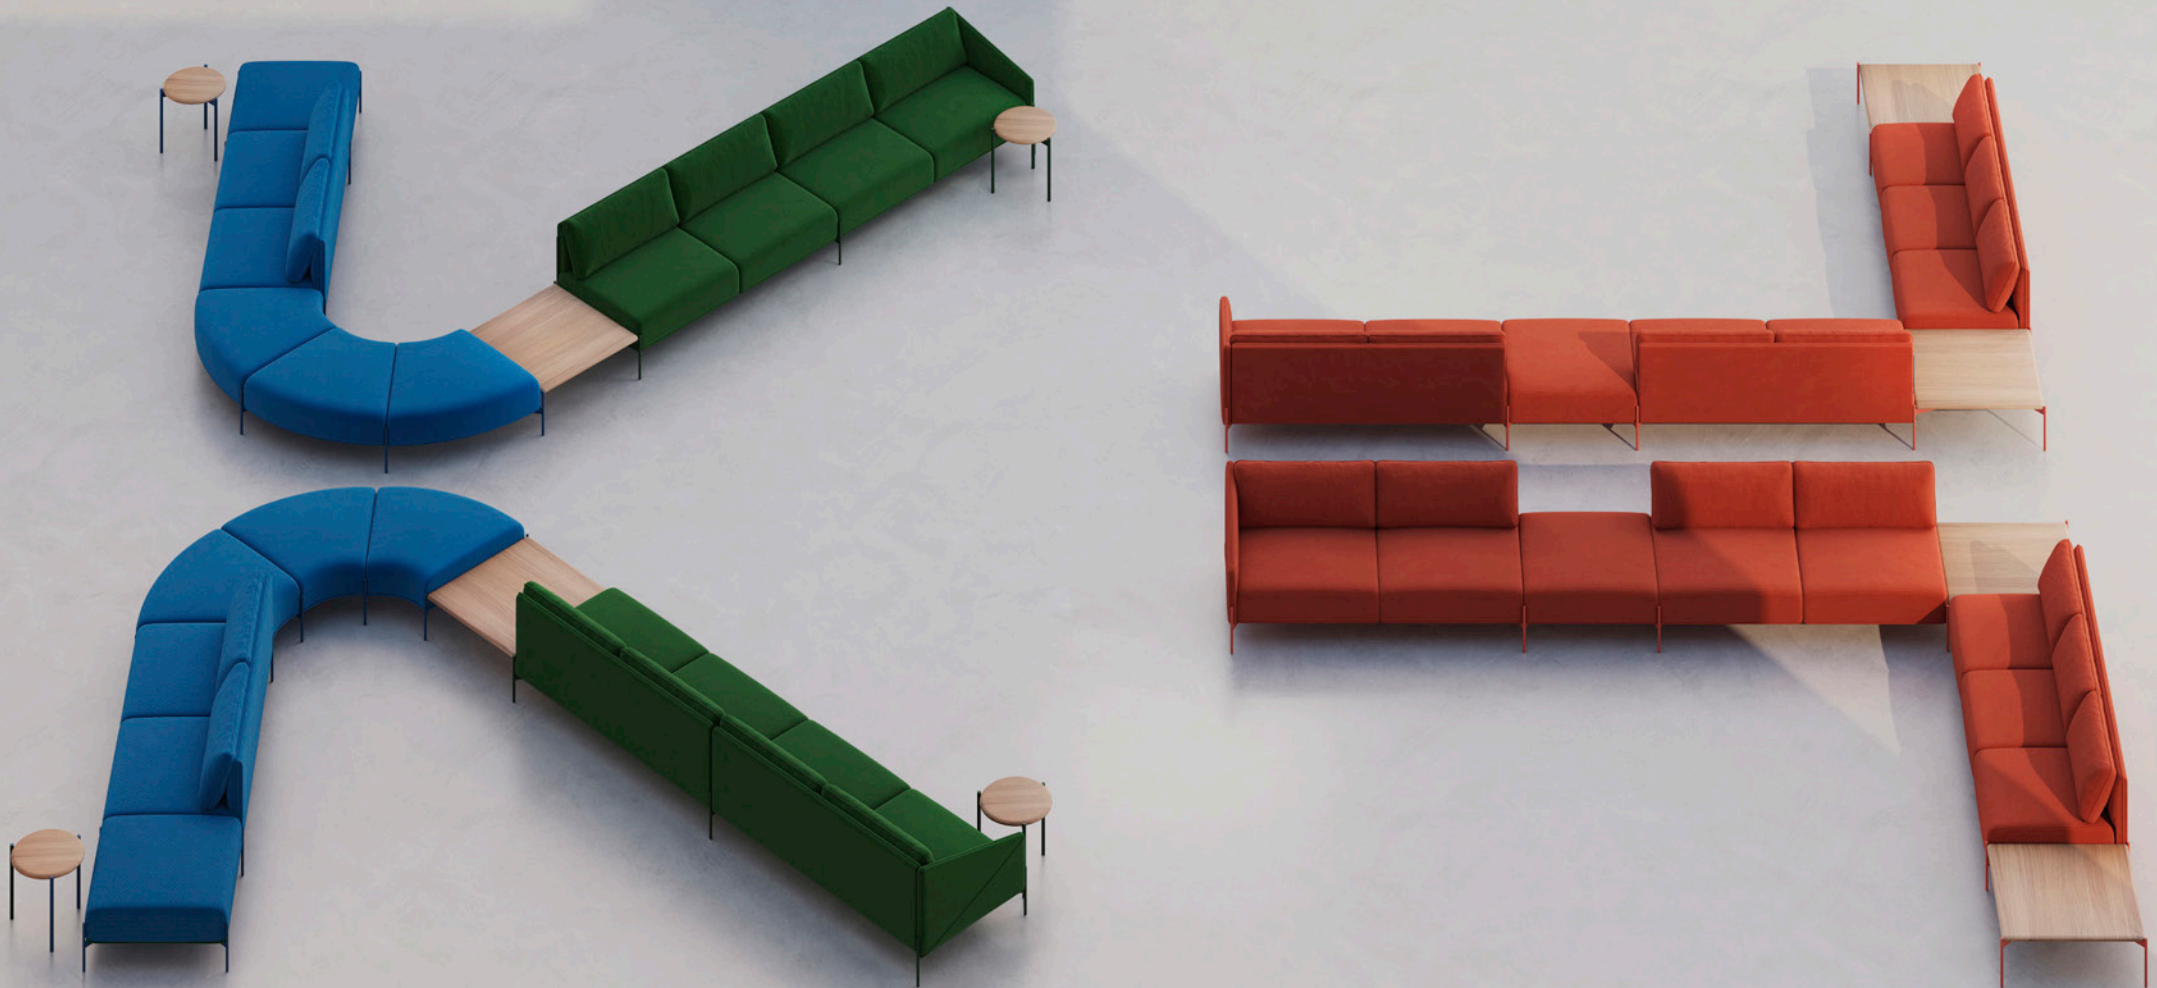

Spectrum Highback unites privacy, comfort and style. Offering enhanced focus and concentration, this enveloping extension to the sofa collection creates a discreet, acoustic friendly space that's perfect for work or quiet relaxation.

Spectrum Low Tables combine classic comfort with an element of playfulness. A versatile addition to the sofa collection, low tables share the same tailored elegance, offering three distinct leg designs that seamlessly integrate with the upholstered pieces.
